Japan

Dear Sirs:

We are passing on, herewith, an inquiry for fittings for Fibre-Cement Roofing Materials as under, and would appreciate to receive your best quotation at your earliest convenience, viz.:-

1. 300,000 pcs. square head galv. coach screws $\frac{1}{4}$ " x 3", each with one lead washer and one galv. washer
(a sample of a $\frac{5}{16}$ " coach screw will be forwarded by air)
2. 190,000 pcs. galv. hook bolts, $\frac{1}{4}$ " x 12", each with one lead washer, one galv. washer, and one nut
(a sample will be forwarded by airfreight)
3. 150,000 pcs. galv. hook bolts $\frac{1}{4}$ " x 16", each with one lead washer, one galv. washer, and one nut
4. 50,000 pcs. galv. ridge screws, $\frac{1}{4}$ " x 15", each with one lead washer, two galv. washers but without nuts
(a sample of a $\frac{1}{2}$ " ridge screw with washers and nuts will be forwarded by airfreight)
5. Extra 50,000 pcs. galv. washers for the above ridge screw

Yours faithfully,

CRG py
